

STATE OF RHODE ISLAND AND PROVIDENCE PLANTATIONS
PUBLIC UTILITIES COMMISSION

IN RE: THE NARRAGANSETT ELECTRIC COMPANY :
d/b/a NATIONAL GRID – ELECTRIC AND GAS : DOCKET NO. 4780
DISTRIBUTION RATE FILING :

COMMISSION’S FIRST SET OF DATA REQUESTS
DIRECTED TO THE OFFICE OF ENERGY RESOURCES
(Issued April 18, 2018)

- 1-1. Please provide a description of any and all initiatives (including, but not limited to programs and/or incentives) of which the Office of Energy Resources (OER) is aware, whether or not OER is leading them, that the State is undertaking toward electrification of the transportation sector. In providing the response, OER should, to the extent it has the information, provide details, including, but not limited to: the subsector (fleet vehicles, public transportation, personal vehicles, etc.), initiative/program components, timelines, cost, sources of revenues, metrics for performance/outcomes, and identification of the lead agency.
